## Community Information Summit

On Homelessness & Housing Initiatives in Rural Polk County

The Partners Aligned Toward Housing Solutions is a partnership between the cities of Monmouth, Independence, Dallas, Falls City, Willamina, Polk County, The Confederated Tribes of Grand Ronde, and The Mid-Willamette Valley Community Action Agency. The focus of this office is to prevent Polk County community members from falling into homelessness.

We have a zero tolerance policy against unreasonable, offensive, intimidating, humiliating or threatening behavior. Engaging in behavior that presents a danger to other people, disrupts others, creates a hostile environment, commits fraud, deceit or trickery, will not be tolerated.
